Confirmation Sunday May 18

This year's class of 17 Confirmation students will be recognized on Sunday, May 18. These students have gathered on Wednesday evenings during this current school year to explore and discuss what it means to be a Christian and what is involved in becoming a member of Good Samaritan United Methodist Church. The content covered with this class has included a variety of topics, traditions, and practices that make up the United Methodist Church. During this past year, the youth have not only attended classes, but have also participated in worship, gathered together for three retreats, and have served our communities through various service projects.

This year's teachers, small group leaders, and mentors have appreciated the opportunity to gather throughout the year and get to know these students better. We are all very proud of these students and are amazed at the various ways they have already added to the life of the church and look forward to all the ways they will continue to add to the church in the years to come.

Please join us on Sunday, May 18 in congratulating these students as they complete this year of study and begin the next phase of their faith journey as Christ's disciples.
